COMPLETE WATER SOLUTIONS

ELITE PRODUCTS WITH MEDIA BOOST POWER!

SmartChoice Elite City Stack Water Filtration System

The City Stack system addresses issues caused by chlorine and other chemicals in city water supplies, providing a comprehensive solution.

SmartChoice Elite Twin Water Softening System

The Twin System offers a continuous soft water supply with an alternating twin tank design and advanced diagnostics.

SmartChoice Elite High-Efficiency Water Softening System

This system along with operating efficiently with advanced electronics & detailed water usage can operate using 50% less water & salt.

SmartChoice Elite Air Induction Filtration (AIF) System with Ozone

By generating ozone, the SmartChoice™ Elite O3 System gains added oxidizing powers.
